Kindercamp is designed to give the younger campers a boost as they transition from preschool and home to the camp environment. Specially selected camp staff help them with all aspects of camp life and participate in the activities alongside them. They facilitate introductions with other children, guide them in choosing activities, and serve as a resource for them all day long. Staff also make sure that children get their lunch, snacks, visits to the bathroom and anything else that they need. Activities include games & activities, swimming, arts & crafts and field trips! With guidance, parents are generally blown away by what their children accomplish. Watching your little one learn to swim, make new friends and design awesome artwork is just another typical day at camp...they grow up so fast, don't they?

Looking for the next big adrenaline rush? Your teenager will put themselves up against challenges that will test them mentally and physically. Campers participate in activities ranging from zip-lining and team building to traditional camp games with a twist! They'll make friends in a relaxed and fun-filled environment, to build self-esteem and independence, and to challenge with new physical and creative activities.
